

PRIVACY POLICY

AINC does not share information provided on listener or volunteer applications with third parties. AINC does collect demographic information, including age, gender, ethnicity, household size, income, and veteran status as required by our funders. This information is reported to funders collectively as statistical information or if reporting by individual is required a randomly assigned listener identification number is used and not the listeners name. In order to receive services using funds from the Denver Regional Council of Governments Area Agency on Aging or the Boulder County Area Agency on Aging, it may be necessary to share information with other DRCOG AAA or BCAA programs or service providers. An individual will not be refused services if they decline to provide demographic information.
